

Letter No. GUB/GC/38/24/009

Date: 24 January 2024

Subject: Academic Calendar 2024 with Introducing Special Term

The authority of the Green University of Bangladesh has decided to introduce a 'Special Term' between the Spring and Fall semesters. The key objective of introducing the special term is to provide students with a unique learning experience, offering condensed and focused courses during the interim period. The special term would allow students to retake courses, and complete GED, language, basic science, ICT, and other soft skill development courses to accelerate their academic progress or participate in specialized programs that align with their interests and career goals. It will create spaces for students to perform industrial training, internships, extensive research, capstone projects, etc., and to prepare themselves for taking part in competitive events relevant to their majors.

The special term will be optional for the students and they are not required to apply for a semester drop. If a student does not register for any course during the special term throughout his/her entire study period, the academic transcript will only contain records of the Spring and Fall semesters of a year. However, if a student enrolls in special term courses, his/her transcript will include those records accordingly. The students may enroll up to 6 credits, including lab and theory courses in a semester. Exceptionally, some students securing a CGPA of 3.5 or higher may take up to 9 credits, including retake courses. In the special term, the mid-semester exams will be conducted by the respective course teachers and the accounts office will collect tuition fees in two installments only.

The detailed Academic Calendar 2024 is attached herewith for your kind information and necessary action. We look forward to exploring the potential benefits it could bring to our students and institution.

Md. Saiful Islam
Registrar (Acting)

For Action:

All Students, Administrative Staff, and Faculty Members of GUB

For Kind Information:

Honorable Chairperson, Board of Trustees

Honorable Vice Chancellor

Green University of Bangladesh
